Simple preloader CSS animation

How to automate date selection with
puppeteer?

David Barton ⚕

QA engineer & release manager @ liligo.com
Budapest Metropolitan Area

Summary

I am a QA engineer & release manager, working in the leisure, travel
& tourism industry for French metasearch engine: liligo.com (in the
most beautiful office of Budapest's downtown).
Open source, open data & open access enthusiast.

Specialties: ## #### #### ### ##### ### ##
• agile methodologies (Kanban, Scrum),
• browser automation + web scraping (Puppeteer - headless
Chrome/MS Playwright),
• monitoring systems (Kibana, Grafana),
• release + deployment management (GitLab, Jenkins, K8s, GitHub
Actions),
• programming (ES6: JavaScript/Node.Js, React.Js),
• HTTP API-s (Express, Node.Js) and
• drawing => pixel art.
